Question: -

1). Introduce Your Self.

Hello, my name is Dhaval Kumbhani. I living in a Surat. I completed my graduation in 2016 from VNSGU University. Recently I finished python language course in Tops Technology.

My hobbies are listening music, reading the books and travelling. My strength is I always learn new things and evolve into a better version of myself. I am punctual person. My weakness is I am not able to give my self fully to my work when I take on too much.

My goal is I will do field job in Canada and settle there with my family and living good life.

2). LinkedIn Profile link: -
